

DevSamurai Data Protection Addendum for Atlassian Plugins

This **Data Processing Addendum** (“DPA”) supplements the [End User License Agreement and Privacy Policy for DevSamurai’s Atlassian Plugin](#) (hereinafter **EULA**), or other agreement in place between **Provider (1)** and **Customer (2)** covering **Customer’s** use of **Provider’s** Products and related Support and Advisory Services (the “Agreement”).

The DPA applies automatically when your organization accepts the **EULA**, so there is no need to separately sign the DPA. This means that you will also benefit from any updates that we make.

In case your organization requires a mutual signed copy for your records, you can download [a pre-signed copy of a mutual signed DPA](#).

Please contact our support team via [our Support Portal](#) or via email atlassian@devsamurai.com if you need any further assistance related to this DPA.

By accepting this **Data Protection Addendum (DPA)**, **Provider** and **Customer** enter into the **Bonterms Data Protection Addendum (DPA) (Version 1.0)** (available at <https://bonterms.com/forms/data-protection-addendum-v1/>) by this reference. A reference copy may be attached.

The **DPA** includes the contents of this **DPA**, including the **Key Terms**, **Schedules** and any **Additional Terms** set forth below. Capitalized terms not defined in this DPA have the meanings given in the **Bonterms Data Protection Addendum**.
